Putnam County Health Department Offering Flu Clinics

The Putnam County Health Department will be having walk-in flu vaccination clinics at various locations throughout the county. The CDC is once again recommending that FluMist not be given; therefore, the PCHD will not have this available. Quadrivalent flu shots, which contains 4 strains, will be available for anyone over 6 months of age. High dose flu vaccine, which contains more antigens, will be available to adults over the age of 65 years old. Most major insurances are accepted, including Medicaid and Medicare. The health department will be providing the vaccine at the following locations:

Ottawa Senior Center on September 25, 9 – 11:30 AM and 1 – 3:30 PM
Putnam County Health Department on September 27, 9 – 11:30 AM and 1 – 4 PM
Columbus Grove VFW on October 6, 9:00 AM – 1 2:00 PM
Pandora First National Bank on October 6, 2 – 4 PM
Kiwanis Health Fair at Ottawa Glandorf High School on October 7, 6 – 10 AM
Meadows of Kalida on October 12, 2 – 5 PM

Appointments will also be available on alternative dates. To schedule an appointment, please call the health department at 419-523-5608.
